

BUCKET CALF

It is suggested that classes be judged by conference method based on:

- A. What 4-H'er learned about caring for and raising calf.
- B. Fitting and showing according to either beef or dairy guidelines, with **emphasis** on how much the 4-H'er learned and can do without help. However, parental guidance is encouraged.
- C. The general health of calf and knowledge of 4-H'er in health-related areas.
- D. Dairy or beef quality of calf **should not** be considered, since purchase is not made on that basis.
- E. Completion of record sheet, to best of member's ability.
